Commissioner,

The date for submitting the Commission report is December 31, 2019, after an election that fall. Whoever is in government when the Report is delivered will be faced with the question, amongst others, what to do with Nalcor? After all of this inquiring we will be left with an entity which has been subjected to a searching examination, and it will be an obvious question. Section 5, in particular 5(c) of the Order, would seem to justify such a reflection on the part of the Commission: "shall consider...(c) the powers, duties and responsibilities of a Crown Corporation."

In my respectful submission, in order to deliver value for money to the taxpayer, reasonable opportunities to inform immediate future action should be pursued.

Yours respectfully,

Ches Crosbie
