Thanks Charles. Tomorrow is fine. The Terms of Reference and the review are obviously Government's call, but whatever we can do to support we obviously will. Gilbert, Paul Humphries and Paul Harrington know MHI are going to be in town early this week and we will be available. Humphries and Harrington are both out of the office later in the week. Let me know what time works for you. Brian

Brian;
MHI will be in town tomorrow. Please advise on availability of Nalcor staff to meet. I would like to discuss structure of the meeting with you later today.

Hello Charles, both Al Snyder and myself are traveling to St. John's tomorrow and will be available to meet with you Tuesday morning. Do you have a preferred location to meet?

Thanks,
