Based on the input received we will cover the 35 focus areas as indicated below.

I believe this will provide the best value for Nalcor by ensuring we will have the opportunity to deliver our collective knowledge and experience.

The team as a group.

1,2,3,5,7,8,11,12,13,15,16,17,19,20,21,22,25,26,29,30,34,35,

Bernie and John

4,14,23,24

Richard and Derek

6,9,10,18,27,28,32,33

Of course, we will have the flexibility to adjust as move though the review process. Also we will agree which of us will take the lead in the discussion of the individual focus areas.

Mark and I will prepare and issue on Tuesday the interview schedule based on this breakdown and the grouping of topics per interviewee or groups of interviewees.

Many thanks for your input.

Regards, Derek
