I have a short meeting then but can call you not long after, if that works?

I will call you in one hour if that is okay.

Regards,
Paul Wilson

Paul... I have a few comments of a technical nature which we would like to pass on for your consideration. How would you like to proceed? I don't think it will take very long, so we could even speak by phone today if you have time. If not I will free up time Monday, whichever is best for you. Pls. advise. Brian
