Dear Charles, I just wanted to drop you a note and congratulate you on the recent Federal Loan Guarantee announcement by Stephen Harper. I have been following the news with great interest and wish you all the success with the project. The staff at MHI, along with myself, have enjoyed our involvement and it has been both a positive and fulfilling experience. Please do not hesitate to call if you require anything from MHI in the future.

Sincerest regards,

**Paul Wilson, P. Eng.**
