Mr. Bown,

Al Snyder has advised us that you and five others will be travelling to Winnipeg on Monday, August 13 to meet with the Project Team members regarding the Decision Gate 3 review of the Muskrat Falls and Labrador Island HVdc Link and the Isolated Island options report on Tuesday morning at our MHI offices. Hotel reservations have been made for your team at the Holiday Inn Winnipeg South for two nights (August 13 and 14). Al Snyder will make arrangements for transportation from the airport to the hotel. The hotel address and phone number are below and the confirmation number is [REDACTED]. Once known, please provide me with the travellers' names so the hotel can personally assign rooms for them.

Thank you. We look forward to meeting you on Tuesday.
