Yes, that would work well for me as I can prepare it on the trip home. I have my own projector if one is not available, plus I can also bring printed and bound copies of the final reports.

Paul  
Will you be doing the briefing in the form of a Power Point presentation?

Paul  
We'd like to meet with you in Toronto on Monday October 22. The purpose of the meeting would be to provide Minister with a detailed briefing on your DG3 report. Our plan is to stay at the Sheraton Centre Hotel. Please call me at the office to discuss details. 709.729.2766

Thanks Paul. Glad you made it there safely. I don't have an update today but will have confirmation tomorrow. I can advise that an announcement doesn't look likely for this week but there may be a need for an in-depth briefing. We are prepared to meet in Toronto to make it more convenient for you.

Hi Charles, I am in Nigeria and want to find out what the time table is for the report. If I need to change my itinerary to return to St. John's for Friday, then I need to start that soon.

Note: I have made some minor editorial revisions to the wind report as I noted some poor wording in a couple of sections. If Nalcor has some revisions, I will consolidate those.
