Derrick;

It would be preferred if Ed lead the briefing and included yourself and Gilbert. Gonna need Dawn as well.

Subject: Minister Marshall

Hi folks

Minister Marshall is continually asking questions regarding the MF arrangement. It would be extremely useful if someone could come in for an hour or two and run through the guts of the arrangement and answer his questions (which generally stem from the questions Yvonne asks – cheap power for NS, doubling of rates here etc).

Something for next week would be extremely beneficial.

Thanks.

Terry
