Subject : Rating Agency Process

Attachment : ATT328141.jpg;

Just a quick note to say thanks for a fantastic effort to get the rating agency presentation prepared, data room ready, and presenters ready for the rating agency kick-off. The three presentations went very well. The upfront preparation was critical in identifying issues and allowing us to be prepared to address them.....and it came through in the presentations. All of the agencies acknowledged our level of preparation and thoroughness. Thanks again.

Tom - I do not have Johanne Mullen's email address - could you please forward to her.
