Hi Rob

Just following up on our call this morning. Regarding DNR's information request, please refer to the document provided to you back on Oct6/10. As you know, we did meet with Steve Goudie Friday past as he went through a presentation with Paul Parsons and I. The meeting/discussion was very insightful but to complete our analysis we would like to review our information request with you in detail.

Can we set up a conference call with you this morning in order to expedite the information share?

Please advise as to a time?

Thanks,
Gerard
