Pls see Ed's message below about needing to meet with the Premier before Cabinet. Not sure if this will happen yet, and not sure if you have been alerted. I have a presentation to the Labour Council on Vale procurement from 9-9:45, and Charles has been closer to the Lower Churchill negotiating table, so if the offer is open I suggest you take him to the meeting. I will be there for the Cabinet meeting. I will forward Ed's presentation deck to Debbie so she can print it out for you in advance.

Brian,

Can we get some time earlier in the morning before the cabinet meeting?

There is an issue around cost risk I need to discuss with you guys before I propose something to Emera. This looks like it may be the last key piece.

Making good progress tonite.

Ed
