Thanks Murray. Your cool and common sense approach and your great experience were very helpful in the last few months. Lower Churchill remains the "big file" so I will be staying close to it. Who knows - new Premier in 4-5 months time, I might be back here. If so, I will be happy.

Robert,

One of the few cases where my speculation has been accurate.

Working with you has been one of the real treats of this job. I hope we will have the opportunity to connect in your new role.

Let me know if there is anything I can do to be of assistance.

Murray
