I am not going to tell Ed what to do but I have concerns about On Point. Cochrane was not fair last week. Up to him.

I have two requests for Ed for this week - James (Telegram) wants to talk with Ed tomorrow re: update on fedpan guar. Emera agreements; and what's next for the DG3 package we are preparing for gov't.

Dave wants to chat with Ed for On Point this weekend to discuss PUB report and what this means for Nalcor.
