Paul;
Below is a simple scope of work. We can discuss further. I'd like you to call at your earliest convenience. There is a desire to announce that we will be engaging MHI today.
Charles.

The Consultant shall review all work completed by the Proponent for Decision Gate 3. The review shall include an assessment of the Cumulative Present Worth Analysis of the Projects including a reasonableness assessment of all inputs into that analysis.

The Consultant will also provide such advice and other services as may be required from time to time by the Client.
