Importance: High

Hi Meg

Create a new group in the Financing Data Room strictly for these CH0007 docs. Users will include:

Canada

- * Joe Krupski
- * Anne Boudreau
- * Rhonda Lazarus

CBB

- * Alison Manzer
- * Charles Newman

If they need anyone else added they will have to specifically request. These folks can be given full access rights.

Thanks

Jim

Jim - No problem. I will only place in Financing Data Room and will include note. Do you want me to restrict printing/saving privilege as well?

If you only want certain users to have access then I will create a new group strictly for these documents as you can only permission groups to documents.

The users in the "Canada" and "Cassels Brock" groups are as follows:

Canada

Frederick Beauregard-Tellier

Helen Beck

Anne Boudreau

Paul Chilcott

Soren Halverson

Anoop Kapoor

Heather Kay

Joseph Krupski

Rhonda Lazarus

Clifton Lee-Sing

Maksym Padalko

Elish Ram

Lindsay Robles

Harri Vikstedt

Alex Watson

Jonathan Will

Cassels Brock

Suhuyini Abudulai

Kelly Calbery

Josh Calderon

Brian Dominique

Jonathan Freeman

Natasha Jimeno

Alison Manzer

Sarah McKinnon

Charles Newman

Anne Rawley

Peter Sullivan

Jennifer Wasylyk

Meg

Just got the other transmittal which is the articles and 2 exhibits from this contract.

Also just realized that MWH was already included on both transmittals so they have received the docs via Aconex. Don't need to repost in IE data room in Intralinks.

So, only need to post these plus the LNTF in Financing data room for just Canada and CBB to review. Can you send me the names of users within each of these 2 groups as I may want to restrict access even further to only certain people within each.

Hi Meg

This document relates to Canada's due diligence on one of the major LCP contracts. It is HIGHLY CONFIDENTIAL. I received this notification for the LNTF as well....what was the other doc you received? Can you send it to me.

It should be made available to Canada and CBB via the Financing data room and MWH via the IE data room.

Auburn, at this stage I would recommend we not make it available to the broader audience (ie. NL, BLG, BF, Faskens) given the high sensitivities around any public discussion relating to award of this contract. We can do that a little bit further down the road. Thoughts?

Meg, in the notifications please include "Strictly Confidential Document" in the header.

Auburn - I just received 2 emails from Doc control like this. Did you want me to post to data room?

Thanks,
