Nik Canada is also asking. The recent issues with Rey have really driven us to the brink and we need to get this turn over done soon.

If you could also send us CV's of any new folks and advise which folks included in your original proposal (which includes their CV's) would be part of the monitoring team that would be greatly appreciated. The guys on the Project Team would like to review ahead of our Apr 2 meeting. Thanks

Hi Nik

I spoke with the folks on the Project team...we would not have any concerns in the event MWH decided to engage Paul Hewitt as part of the IE monitoring team.

Jim
