I have raised this with Canada and suggested sooner than later a chat with Nik and a change of team - why sooner - because we need to have a sane rational view of the certificates and process and earlier than later - perhaps you could start a discussion with Anoop about this .

We need yet again to get your view and theirs synched up. At some point we need to discuss a team change for the construction process in my view.

Importance: High

Good morning Jim,

Please see attached comments (highlighted in yellow) from MWH as to the outstanding items list (the November 2 draft). We need to expedite the delivery of these items (or otherwise understand the status of same (appreciating that their comments to the attached are not reflective of the comments you provided to us on November 8th). Please let me know if you have any questions. Otherwise, we look forward to hearing from you shortly.

Kind regards,

Suhuyini
