Rick/Lois,

Pat Corser reached out to Alison and I this week. Advised they could not come to terms with Nik on sub-contract arrangement for IE lead. Also advised they have put an interim services contract to him to help transition to Derrick Penman as the lead. Apparently it remains unsigned. Getting different story on this from Nik. Enough is enough. Want to hold a face-to-face meeting with MWH, Nik, Nalcor, Emera and Canada next week in Toronto to find a way to make this work. Wednesday, May 20th seems to work best from Nalcor side. Are you available to join that day as well? Once confirmed I will reach out to Pat and Nik.

Thanks,

Jim
