Subject: COREA certificates
Date: Tuesday, December 1, 2015 10:28:55 PM

Hi Xeno

Have Canada signed off on the proposed revisions we made to the COREA certificates? If so, can you send me the final versions. We are going to issue the cash call to NL on Thursday so the \$335m will be advanced on Dec 10 and we will deposit in COREA accounts on Dec 11. Will need to include the certificates in the package for NL

Thanks

Jim
