Had a chat with Gilbert. Apparently they don't know what to do with rate mitigation. Some of the ministers fussed about cost increases and "who can they blame". Also seems to be some squawking about role of OC and what they know and when. Auburn, not sure if you got anything else from Ed?

Subject: LCP update

Apparently things didn't go that well in Cabinet this morning and everything is now on hold. Auburn, keep your guys going on the basis it's still a go Weds. I will provide update as I know more....never a dull moment
