Engineering, Procurement and Construction Management (EPCM) Services**

Company Access to Technical Codes and Standards

Dear Normand:

We draw your attention to Agreement Exhibit 5, Section 11 – Engineering and Technical Documentation and Article 4.0 – Responsibilities, of the Guidance Document, specifically the 5th bullet of Article 4.1 wherein it states “Consultant shall provide immediate on-line access to Company for updated technical codes and Standards that Consultant uses in the performance of its Services”.

To date we have not been provided such access and are hereby requesting that it be provided immediately. Bob Barnes is available to help progress this issue with you.

Sincerely,

Ron Power
Project Manager – Generation / Island Link
