Pls see Ed's questions... He got them in text format before I got the chance this morning.

Where he's talking cpw I'd look at the revenue requirements of each

I think his #2 is getting at the reference cases versus each case

Thx

Auburn,

1. What are the nominal totals and differences?
2. How much of the NPV are each banking group pocketing? Nominal?

Ed

I will also have a waterfall that I can walk us through on our rough estimate of where we stand with respect to DG3 CPW preference.

Thanks!
