Ed. We are having a big meeting with our top 100 execs and many of our PMs on project delivery improvement today (of which your previous comments were a major driver) which begins with me kicking it off at 8:00 Toronto time so it would be best anytime between now and then or at a lunch or other break or tonight or over the weekend. If it is better for you, you are welcome to try my mobile at 1-514-826-9000 anytime up to 8:00 Toronto time. I'll give yours a try if I don't hear back from you. Thanks. Bob

Best to call my cell - I am in toronto.

Ed. 709-682-6684. Would 8:15 Montreal time work as well?

Ed

That would be great, Bob. How about 8:45 am NL time, 10:15 am Montreal time?

Ed. I heard that it might be good to touch base in advance of our visit in a couple of weeks. Would be glad to update you on things. Could get to you between 8 & 9 am your time in the morning if that would work. Looking forward to the trip out there. Bob
