Scott,

Gilbert Bennett of Nalcor is looking to speak with you to discuss "the approach they are going to take for the CEO meeting on the 25th".

At his request I have booked you a call with him first thing tomorrow am for this.

Subject: Possible meeting

Good morning Wendy:

Gilbert was wondering if Scott may happen to be in Montreal this week? He is flying there today, and if Scott was available tomorrow morning, Gilbert would like to have a meeting with him to discuss the approach they are going to take for the CEO meeting on the 25th. If he isn't in Montreal, might he be available for a call some time tomorrow morning (Gilbert's first meeting is at 2:00 pm Montreal time).

Thanks, Kathy
