Hi Wendy:

How are you today?

I have finally heard back from Gilbert, and he, Paul Harrington and Lance Clarke can meet with Scott on Monday April 22 at around 3:30 pm. However, they cannot meet him in Oakville due to their need to catch a flight that night. They would like to have the meeting at a hotel next to the airport, possibly the Gateway Sheraton? I can certainly arrange that for you and I book quite a few meetings there. I could also arrange to have a meal brought to the meeting.

Please let me know as soon as you can as the flights are booking up.

Kathy

No problem Kathy, we have time.

My little fellow has not been feeling well so I was making up time last night – but it was only about 8pm here.

Thanks and have a great afternoon!

Hi Wendy:

Boy you work late hours!!!

Just letting you know I got your message, but I'm waiting to hear back from Gilbert because the meeting you requested is out of town, he has some conflicts for the 23rd that I am waiting to see if he wants me to change. I will get back to you as soon as I can.

Have a great day! Kathy

Kathy,

Hope all is well today!

On the call Scott Thon had this morning with Gilbert I understand that Gilbert made a request for a face to face meeting of the two teams to prepare for the upcoming CEOs meeting on April 25th.

We have a couple of options, I hope they can work. Scott can do a meeting in Oakville (two hours) on either the afternoon of Monday, April 22 (after 3pm EDT, perhaps a dinner?) or first thing in the morning on Tuesday, April 23<sup>rd</sup> (7:30 -9:30 am EDT).

Can you please take a look and see if these times can work for your guys? Thank you!
