NEWFOUNDLAND AND LABRADOR
Office of the Leader of the Official Opposition

June 28, 2017

Hon. Siobhan Coady
Minister of Natural Resources
Government of Newfoundland and Labrador
Box 8700, Confederation Building
St. John's, NL A1B 4J6

Dear Minister:

On Friday, June 23, 2017, the Premier distributed a report entitled "SNC-LAVALIN RISK ASSESSMENT LOWER CHURCHILL PROJECT 505573", which was dated April 2013 and clearly marked 'Confidential for SNC-Lavalin internal use only.'

When did you first have knowledge of the existence of this report?

Who first informed you of the existence of this report?

When did you first receive this report?

Who first provided you with a copy of this report?

What was the date of the alleged meeting between SNC Lavalin, Nalcor officials and the former CEO Ed Martin? Who was in attendance at the meeting?

When did the current Chair and Board of Directors of Nalcor become aware of the 2013 SNC Lavalin risk assessment and were any actions taken on receipt of the report?

Thank you in advance for your responses to these questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Davis".

**PAUL DAVIS, MHA Topsail-Paradise
