Subject: Serge's Demobilization Date

Normand - As you would know by now, it has been decided that Serge will be demobilized from the Lower Churchill Project. The reasons for this decision were clearly laid out in the steering committee meeting held on 28 August.

Subsequent to the steering committee meeting, Paul informed me that SLI will inform Serge of the decision.

I expect that Serge will be demobilized by Friday, 13 September latest, preferably before.

I will set up a brief meeting with you on Monday to confirm the date.

An interim Project Controls Manager has been secured, pending recruitment of the permanent candidate.

Regards,

Ron
