Minister:

I have received a request from Ashley Fitzpatrick on the ATIPP below. She wants to know why no information exists on this within government. With your approval, here is the response I will send to Ashley.

Thanks,  
 Diana

When the ATIPP request was processed, the Department of Natural Resources did not have records from the independent engineer. It is the department's understanding that the independent engineer has not yet completed their report. For more information, please contact Nalcor directly.
