What a year, just look at the attached charts!

It is hard find the words to express my gratitude for the continuous support and collaboration provided by your group. Thank you so much, "brothers and sister"!

With the field office starting to depart for the holiday break this weekend, this is the last report of this type. We will start fresh in the new year and we will make sure that going forward the numbers will always show how strong we are when we build together.

I wish you all peaceful winter holidays and a Happy New Year!

Thank you,
George Latis, P.Eng. | Manager, Quality | **Valard Construction LP**
