Subject: Request from Ed Martin

Paul was with Mr. Martin after our session today and gave him an update on our mutual activities. In the spirit of the early sessions with him and government about collaboration and cooperation, Mr. Martin requested a briefing from E&Y on what you are planning to share with your client Wednesday afternoon (I am assuming its Wednesday afternoon). I have confirmed 10AM is available Wednesday in the boardroom at Hydro Place (i.e., before the session with Derrick Sturge planned for 11AM). Can you provide confirmation this is something E&Y can accommodate? Much obliged.
