Here is the link. It was issued a half hour ago approximately.

Here is the link to the Ministerial statement Minister Coady read in the House.

I thought the Government's comments were fair.

Nalcor's response letter is in the same link just under our report. Wasn't softened much re our commentary on governance.

Already I have received an email from a Project "follower" as follows: "3.2 and 3.3 require explanation. Was EY being stonewalled?"
