the latest Uncle Gnarley post contains the story of Jason Muise and his attempts to undermine the LCP - obviously Jason has a personal, ulterior motive

iMessage Message received from Jason Kean 4/16/2018 5:16:37 PM

I read the article.... contents it doesn't bother me as it just supports the good work we did. But Muise is incorrect re mgmt reserve as it was discussed in CE52 of PUB Review. He missed this reference.
