Hi Tim,

As an update... there is none from Julia. Government just announced a DM shake up last week, and it monopolized her time and effort... a very tough week in Government. Double edge, Julia survived as Clerk. While she has been a bottle neck in the past, I believe we should feel good about this. She support us an awful lot. Who knows who would have replaced her... could be worse off.

I've asked Paul to reach out to Minister Coady for a direct conversation on the matter, he agreed he would do this week. Paul will keep us posted.

I am certain this is going to "go", it's just a matter of when. We need to get dates and expectations in our minds so we can plan accordingly. This is especially important for you guys. We are working hard to get this straightened out, we will keep you posted. Thanks Tim.

Regards,

David

Hi David, still here in office and seeing your e-mail. Absolutely should chat. I have had some discussion on this. I am not available tomorrow but let's make sure to connect on Thursday as I am hoping to visit my father for a week starting Friday. Thanks.

Hi Julia,

How are you? I was wondering if you have time this week to catch up? It would be great to find 30 mins and have a coffee and catch up on a number of things. One of which is the email thread below... I've had several of my colleagues asking as they are planning their schedules for the fall. Please let me know, thanks.

Regards,

David

Hello Julia,

I hope you had a nice Regatta day. I agree with what you suggested on Tuesday... it would be great to get back in the room to talk through needs and next steps. I did see an article today which suggests the timing might be right. It would be great if you could see what timing could work and I will poll the group on my side. We are looking to connecting on this. Thanks!

Regards,

David
