Subject: Protest at Muskrat Falls Construction Site

As of 4:00 p.m. Labrador time, approximately 20 protestors are currently blocking the main gate at the Muskrat Falls construction site in Labrador. At this time, the protestors are allowing outbound traffic to leave the site, however inbound traffic is being prevented from entering.

RCMP are on site and monitoring the activity. Our EOC team at Muskrat Falls is handling the situation and is being supported, as required, by the LCP EOC in St. John's.

I will provide a further update following our next scheduled call at 6:30 p.m. NF time.

Thanks,
Janine
