Hi Jacquelyn,

I have confirmation from Charles Bown that the report is planned to be released tomorrow morning. I've been working with Tina Williams on some Q&As and Jennifer Collingwood on some images.

Can you please send along the communications materials, NR, KMs, etc so that we are prepared here for the release.

I haven't seen any of the communications materials on this yet and I assume we will get media questions on this tomorrow.

Thanks

Karen
