All,

My latest missive from Alison:

"Nope it is really all done - Emera signatures under way, a short letter needed from Lewis to confirm sanction no issues he knows it, Anoop on top of the aboriginal CP, Canada signatures arranged (I did the Minister briefing myself so I know no issues), NS signature we are told this weekend (apparently there was a premier to premier chat). That is it other than the stuff being sent and ticked off. made all the rest go away - interesting at times but we did it."

Best,

Xeno
