Craig

I wish to inform you that I am currently in Europe and will not return to Canada before 15th October, consequently I will not be able to attend the proposed OC meeting, I am uncertain as to whether Gilbert will be back in the office on the 14th October, if neither Gilbert, James Meaney or myself are available I believe it would be advisable to reschedule the meeting.

Paul,

Committee had been discussing whether we needed a more formal request process with Nalcor for information requests. Since September, I have been going to several contacts depending on the issue. Spoke with Charles yesterday and he advised that you would be the primary contact for the Committee on all requests for information.

Here's a summary of the current Open requests and their status:

Any future requests I'll send to you directly.

If you have any questions or need clarification on any of the requests, please let me know.

Thanks

Craig
