Charles, just heard back from Heather and we're good to go for the MF updates as discussed.

A briefing has been booked with the Premier on Aug. 17. Cabinet is Aug. 20; Boards are Aug 19 and 20; IE/MWH is Aug. 21 (PM). Can you please make the necessary arrangements for the OC briefing based on our discussion this morning for timing.

Gilbert will do the briefing and depending on the date Paul might be joining him.

Thanks

Karen

Karen;

I note in your MF cost update schedule that a meeting is earmarked for Gilbert to update the Oversight Committee. Has this been confirmed for Monday? if so, I'll need to start the process of setting up the meeting.

Please advise.

Charles

As discussed, here is the latest proposed schedule. Right now it shows a 2-day media tour. In all likelihood this will be one day as there is not a lot happening right now in SOBI (Forteau area). The idea would be the Tues or Wed for the media tour day.

Thanks
Karen
