Re:

Project Management Support Services Lower Churchill Project Project Controls Manager – Extension of Services

Dear Ron,

\*\*

We are pleased to provide you with our proposal for the extension of the services of Mr. Ed Bush, MBA, P.Eng., PMP as Project Controls Manager as part of the Lower Churchill Project – Project Delivery Team.

In our original proposal dated September 27, 2013 we provided a commitment for the services of our Project Controls Manager for a term of 6 months from the commencement of services - October 7, 2013.

Our original proposal provided these services at a rate of \$1,440.00 per day (\$180.00 per hour).

We are pleased to offer an extension of our original commitment for Ed's services as part of the Lower Churchill Project – Project Delivery Team through to December 31, 2014.

We propose to provide the services of Ed Bush at the rate of \$1,700.00 per day (\$212.50 per hour) commencing February 1, 2014, through to December 31, 2014.

All other provisions of PMX Master Services Agreement LC-PM-149 and Purchase Order LCP-01714 remain unchanged.

We trust that we have adequately responded to your project needs in this proposal and we appreciate the opportunity to be of continued service to the Project Delivery Team.
