Subject: Contact Information – Construction Supervision Personnel

Dear Guido:

With reference to our discussion held 13 May 2014, please find attached names and contact numbers for local construction supervision personnel known to Nalcor which may be of interest to you in support of Astaldi's hiring for Muskrat Falls site operations.

While Nalcor cannot accept responsibility with respect to the availability or for the performance of these individuals should Astaldi choose to pursue them, we do appreciate Astaldi's desire to hire local supervision and hope this is of assistance.

Regards,

Scott O'Brien
