Sounds good Julia. Tks for the note, lots to talk about. I am working tomorrow afternoon as well, and will give you a shout when free. As usual we'll likely play tag, but we'll get there! Meant to call this week, should have, but as I am sure you are (you probably more!), I have been swamped with 6 board meetings, both EY reviews, GRI presentation and our regular stuff. Interesting times. That being said, looking forward to talking with you. We'll get there.

Thought it would be good if I can touch base with you tomorrow to discuss plans for reports this coming week. Also, wanted to touch base on briefing note you were completing. I will be at office all tomorrow so if there's a better time for you at some point tomorrow, I can touch base then. Thanks.
