Hi David, Thanks for the email. Making progress on some fronts. On your topic, I am in a holding pattern right now but will be in touch as soon as I am in a position to do so. Hoping for some internal dialogue tomorrow on it. May also give you a call tomorrow when I am free. Kindest, Paul

Hello Paul,

How are you? I imagine you are still taking a lot in. I was wondering how things were coming along. I particular, it would be great to understand Governments intention with respect to our services for an update review. As discussed, getting aligned on expectations early and agreement in an SOW will allow us to be proactive in engaging Nalcor. It's very much a critical success factor, and all aimed at putting Government and the Oversight Committee in the best possible position to be successful. Please let me know current status and next steps.

Many thanks.

Dave

Yes, thank you. Where should we meet you. Our office or yours? If yours, where is it?

Thank you,
Dave

Hello Paul,
It was nice talking with you yesterday. I spoke to my colleague, Michael Kennedy, and have confirmed his availability for an introductory meeting tomorrow. Could you please advise if a time that works for you? Thank you.

Dave
