Vanessa/Cory,

EY is in town working with Nalcor on the review of the recommendations from the Interim Report. Yesterday, Charles and I met with EY for a brief discussion at which time they also requested meeting with one other government and one independent member of the Oversight Committee for their perspectives. We are wondering if you might be able to accommodate? If so, could you give me some times that might work for you for early next week. Vanessa, we can likely arrange for a downtown meeting if that is easier for you. Meeting would likely be an hour or less. EY are leaving town Wednesday evening. If you could please let me know at your earliest convenience it would be greatly appreciated. Please feel free to give me a call if you wish to discuss.

Kindest,

Paul
